ABOUT THE ONE FUND

The One Fund Drive is the District government's only official charitable fund-raiser. D.C. government employees pledge their support annually to not-for-profit, charitable, organizations in the Washington are.

The District government has authorized the United Black Fund, Inc. of Greater Washington, D.C. and the United Way of the National Capital Area to serve as the campaign administrators of the 52nd D.C. One Fund Drive. The District of Columbia government will continue to have policy management and fiscal responsibility for the One Fund Drive. The One Fund lists over 800 tax-exempt, charitable organizations that will benefit from your generosity in this year's drive.

Many employees find that spreading their donations over the year through payroll deduction makes it easier to support the D.C. One Fund Drive. Donations to the D.C. One Fund can also be made by check or cash. Regardless of the payment method you select, your generous contribution helps to make our community a better place in which to live and work.

You may choose to designate your gift to one or more agencies by writing the four or five digit code in the appropriate box or boxes on the pledge card.

Campaign-related expenses, including the annual audit, are funded first by undesignated contributions and second by designated contributions to the extent that undesignated contributions are insufficient. Undesignated contributions remaining after the campaign-related expenses, if any, are applied to the Mayor's Emergency Assistance Fund (up to \$50,000). Any remaining undesignated contributions are distributed to participating agencies in amounts based on the percentage of their designated pledges to total designated pledges in the campaign.

¹ The One Fund has an annual approved budget, which covers the cost of printing pledge cards, brochures, posters, campaign video, kickoff special events and other campaign related materials. All agencies in the One Fund pay an administrative fee to the federations as part of their membership. United Way agencies are charged a flat 12.5% processing fee for designations.

MAKING YOUR CONTRIBUTION

As a D.C. government employee, your decision to participate in the One Fund Drive is personal and voluntary. Employees are encouraged to consider pledging based on the “fair share giving” concept. Fair Share Givers donate 1% of their annual gross salary to the D.C. One Fund Drive. However, the decision to give any amount should be made by the individual. The goal of the 52nd D.C. One Fund Drive is to achieve 100 percent participation by District government employees.

You may make a contribution by cash, check payable to the D.C. One Fund Drive, or through payroll deduction. Below are some points to follow when making your contribution. Please indicate on your pledge card:

The annual amount you are contributing;

The four or five digit designation code(s) for agencies you have selected as designees;

Your signature to authorize payroll deduction;

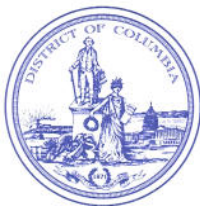

Your signature and address if you wish to receive an unknown acknowledgement from a recipient agency that you designated;

Your initials and address, where indicated, if you are a Fair Share Giver, and;

Verify pre-printed information, making corrections as needed.

Eligibility

In order to receive disbursements from the 52nd D.C. One Fund Drive, all participating agencies must have a 501 (c) 3, tax-exempt status as determined by the Internal Revenue Service; must meet the highest organizational and fiscal standards and; meet other eligibility criteria determined by the District of Columbia One Fund Eligibility Committee.

ANTHONY A. WILLIAMS
MAYOR

Dear District of Columbia Employees:

When we contribute to the One Fund, we make our city better in incalculable ways. From helping those among us less fortunate to afford quality child care, to employment services, One Fund contributors can take credit for improving the lives of hundreds of city residents.

For the price of a cup of coffee, you can make life so much better for someone who is struggling right now. Is \$1 per week too much to ask? That's \$2 per pay period. If you are in a position to give more, you could become a Fair Share giver, so that the One Fund organizations can have an even greater benefit from your good will. You and I together can accomplish great things.

In this year's directory, you will find a list of the many charitable organizations that the One Fund benefits. These organizations perform miracles in our city, and they need us to support them. Please join me in making a difference.

Sincerely,

A handwritten signature in dark ink that reads "Anthony A. Williams". The signature is fluid and cursive, with the first name "Anthony" being more prominent.

ADDRESS REPLY TO
"FIRE CHIEF"

Dear Friends and Colleagues:

The theme of this year's One Fund Campaign is "52 Years of Giving from One District; Diverse and United." You might think that your contribution might not be enough to help. Let me tell you that when we all contribute, the outcome is magnificent. As campaign chair, I ask that you take a look at the fine organizations that make a difference every day in our community. These groups work tirelessly to improve the quality of life for the residents of the Washington, DC metropolitan area. They are the organizations that will apply your generosity in a way that will benefit someone who really needs it.

Please consider giving \$2 per pay period to the One Fund. That's not a lot, but, collectively, it will have a huge impact on many lives. One by one, we can really come together as a city and help many people in a profound way.

Sincerely,

A handwritten signature in blue ink, reading "Adrian H. Thompson".
